## NRS GROUP Safety Convention was Held

On May 25th, NRS GROUP held the "2024 Safety Convention for Package Solution Division and Kumamoto Branch".

### 1. Purpose of the Safety Convention

NRS GROUP, a company handling hazardous materials, considers safety as the foundation of its business and a responsibility towards society. The Safety Convention is held annually with the purpose of maintaining and improving safety and high-quality, as well as providing safety education.

### 2. Overview

In the 2024 Safety Convention, eight offices from the Package Solution division and Kumamoto branch presented their accident prevention measures and safety initiatives. By replicating past accidents and sharing the corresponding preventive measures, the aim is to thoroughly prevent the recurrence of similar incidents. Until last year, the event had been held online due to the constraints of the COVID-19 pandemic, but this year, for the first time in five years, it was conducted on-site. Through demonstraions and safety presentations, numerous participants enhanced their awareness of maintaining and improving safety and quality.
