### **Kumamoto Branch Opens Doors to Local Residents for Insightful Tour**

NRS CORPORATION held a “Kumamoto Branch Tour” on August 7<sup>th</sup> for local residents. Following a presentation on the company's overview and safety measures, which included materials and videos, attendees toured our facilities and warehouse. We received valuable questions and feedback from the participants.

NRS GROUP is committed to deepening local residents' understanding of our operations and building trust and confidence in hazardous materials. We will continue to prioritize safety and compliance as the foundation of our facility operations.

#### Event Highlights:

- Company briefing
- Facility tour: Warehouse, truck rides, and reach stacker operation demonstrations
