NRS Held “Bring Your Kids to Work Day”

NRS CORPORATION held a "Bring Your Kids to Work Day" in Yokohama Logistics Center on August 23rd. The purpose of the "Bring Your Kids to Work Day" is to promote a better understanding of work among family members, to promote work-life balance, and to enhance communication within the company by allowing children of employees to visit their parents at their workplaces.

On the day, eleven children visited NRS Yokohama Logistics Center in Yokohama city, Kanagawa prefecture. After hearing a brief introduction to NRS GROUP's business and Yokohama Logistics Center, the children toured the facility premises witnessing firsthand the loading and unloading of containers using forklift – a sight they rarely see - and getting to understand their parents' workplaces. The tour also included a visit to a constant-temperature warehouse where the children experienced below-zero temperatures. Furthermore, the children exchanged business cards with their parent's colleagues. The children commented at the end of the day saying, "I learned a lot about logistics.", "My dad looked cool operating the forklift."

NRS GROUP will continue its efforts to improve employee engagement and provide learning opportunities for our future leaders.

Event Highlights

- Company briefing
- Yokohama Logistics Center and Workplace tour
- Business card exchange with parents' colleagues
