Tokyo, Japan

February 25, 2025

### Opening of NRS LOGISTICS EUROPE GmbH

NRS CORPORATION is pleased to announce that it has opened a local subsidiary in Dusseldorf, Germany in January 2025.

NRS opened a representative office in the same city in May 2022, and have continued marketing activities to expand our wide range of businesses in the chemical logistics field in Japan to Europe, including transportation, tank yards, warehousing of hazardous materials, leasing and sales of shipping containers such as ISO tank containers, and international intermodal transportation.

By becoming a local subsidiary, we will begin providing our services to customers in Europe. We will continue to further strengthen our presence as a comprehensive chemical logistics company and further contribute to safe, high-quality logistics operations in the region.
